CODE: 1317a

FABRICS:

Shirt: Stretch polyester satin

DESCRIPTION:

A fabulously soft silky blouse, it can easily be worn anywhere and dressed up or down.

It is designed to flatter the wearer and shadow the figure, rather than to hug it.

The neckline is designed to accentuate the bust, and the cute cap sleeves have pleats at the shoulder, finished with a bound hem and button.

The back is again, softly silhouetting and the shaped hem is designed to be either tucked in or worn out.
