**FABRICS:**

Top: 100% Silver Beaded Silk Chiffon

Lining: Silk Chiffon

**DESCRIPTION:**

***“The House of Paul”***

Designed to add glamour to the evening, this silver beaded chiffon tee can go anywhere.

It can be matched to jeans and smart trousers, dressing up or down. It would even look great under a tuxedo jacket and trousers.

The best feature of this top is that it drapes beautifully over the wearer’s body, empathising his slim, tall physique.
